

## DEVOUR

Heavy duty detergent disinfectant.

### FEATURES & BENEFITS

- ◆ Devour penetrates, break up and carries away animal fats, oils, grease and other common soils found in the food industry.
- ◆ Very fast acting. Devour deals with even the most difficult soils really fast.
- ◆ Contains long working alkali boosters and foaming agents which continue working long after products have stopped.
- ◆ Devour actually kills a wide range of bacteria which cause disease or spoilage of foods.
- ◆ Devour is a powerful deodorant which works by destroying bacteria that cause odours. It leaves no residual odour or perfume to taint food.
- ◆ Devour is approved for use in registered export meat establishments.
- ◆ The disinfectant and detergent properties of Devour are retained even in very hard water.
