

## GRAFFITI SOLV

Solvent based graffiti remover.

### Features & Benefits

- Graffiti Solv is an effective product for the removal of most types of graffiti.
- Graffiti Solv is ready to use straight from the drum.
- Graffiti Solv is non-flammable.

### Use Directions

Apply to surfaces with a brush, swab or non-atomising spray. Allow 10 minute contact time, then wipe off or hose off with water.

### Note

When using Graffiti Solv on painted surfaces, test the effect in an inconspicuous area, before commencing work.

### Packages

20 litre drums
