

GREASE OFF

Economical ready to use degreaser.

Features and Benefits

- Very high flash point means safety in use.
- Economical product.
- An efficient degreaser which rapidly cuts into oils and greases.
- Ready to use, no mixing needed. Simply apply by spray, brush or immersion.
- Safe to use on all metals.

Product Specification:

Appearance:	Red-brown liquid
Odour:	Very slight
Specific gravity:	0.86
pH:	7.0
Flash point:	74°C (Cleaveland Open Cup)

Use Directions

- A) **MANUAL CLEANING**
Use as received. Apply by brush, swab or spray. Allow 5 minutes or so to penetrate the grime, and rinse off with a water jet.
- B) **IMMERSION CLEANING**
As Grease Off is a high flash point degreaser, it is an excellent product for use in immersion cleaning. Components should be immersed in the product for 15-30 minutes depending on the amount of soiling. Remove components from the tank and rinse with a water jet.

Environmental Statement

- GREASE OFF is phosphate free
- GREASE OFF is chlorine free
- GREASE OFF uses recyclable packaging

Refer to the Environmental Guide section of our website www.chemform.com.au for more information.

Safety Information
