## NON CAUSTIC OVEN CLEANER

Oven, frier, grill and hot plate cleaner.

At Chemform we care about the environment, our community and your safety by providing environmentally responsible products. The CHEMFORM GREEN range of products provides performance, quality and safety, as well as environmental sustainability by meeting our strict criteria:

1. Products containing detergents must use only those classified as readily biodegradable.
2. Whenever possible, products made from plant based renewable resources are selected.
3. Our CHEMFORM GREEN range contains no phosphates, oil-based hydrocarbons, chlorine, chlorinated hydrocarbons, carcinogens, alkyl phenol ethoxylates or heavy metals.
4. Our CHEMFORM GREEN range is safe to use. Products must be classified as non-hazardous and non-dangerous.
5. Industrial degreasers will be quick-breaking according to our stringent definition.
6. Waste will be minimised as we believe that the biggest environmental burden on the Earth is waste. All packaging used in the CHEMFORM GREEN range is recyclable, and can be returned to Chemform for processing.

If you care about the environment continue to choose CHEMFORM GREEN!

### Features and Benefits

- NON CAUSTIC OVEN CLEANER quickly and easily penetrates and removes baked on deposits.
- Easy to use. Apply to surface, allow to react, wipe and rinse off.
- Economical. Non Caustic Oven Cleaner is highly concentrated.
- Does not contain caustic products, solvents or other volatile compounds.

### Use Directions

NON CAUSTIC OVEN CLEANER may be applied by spraying, brushing or wiping onto surfaces. Do NOT atomise if spraying.

Use on aluminium, tin, brass, pilot lights or painted surfaces with care as damage may occur.

Preheat equipment to 40 – 60°C. For removing burnt-on fats, grease and carbon use NON CAUSTIC OVEN CLEANER undiluted.

Allow it to penetrate for 5-15 minutes, then wipe with a damp cloth.

Rinse thoroughly with water, or preferably a solution of 1 part vinegar to 10 parts water.

### Safety Information

Refer to our product safety information sheet (PSIS) for more information or consult your Chemform representative for further assistance.

### Packages

2x5L containers.
