NOURISH

Body wash.

At Chemform we care about the environment, our community and your safety by providing environmentally responsible products. The CHEMFORM GREEN range of products provides performance, quality and safety, as well as environmental sustainability by meeting our strict criteria:

1. Products containing detergents must use only those classified as readily biodegradable.
2. Whenever possible, products made from plant based renewable resources are selected.
3. Our CHEMFORM GREEN range contains no phosphates, oil-based hydrocarbons, chlorine, chlorinated hydrocarbons, carcinogens, alkyl phenol ethoxylates or heavy metals.
4. Our CHEMFORM GREEN range is safe to use. Products must be classified as non-hazardous and non-dangerous.
5. Industrial degreasers will be quick-breaking according to our stringent definition.
6. Waste will be minimised as we believe that the biggest environmental burden on the Earth is waste. All packaging used in the CHEMFORM GREEN range is recyclable, and can be returned to Chemform for processing.
