

PRESTO

Manual dishwashing liquid.

Features & Benefits

- Very economical product.
- Designed to emulsify oily soils quickly on all surfaces
- Presto is a neutral product. It will not damage painted surfaces or irritate the user's skin.
- Multi purpose. Presto may be used in most domestic or industrial applications with confidence.
- Excellent rinsing properties. Surfaces cleaned with Presto dry to a streak free and brilliant finish.

Applications:

Presto is designed for all manual cleaning operations. It is equally efficient for dishwashing, floor cleaning, damp mopping and upholstery cleaning.

Use Directions:

For best results use Presto in warm water. Rinse surfaces with fresh water after cleaning operations.
