

Product Information

SQUEEK

Premium manual dishwashing liquid.

Description

SQUEEK is a concentrated manual dishwashing liquid with more cleaning power that will cut through baked on foods, oils and grease, whilst using significantly less than other conventional products.

At Chemform we care about the environment, our community and your safety by providing environmentally responsible products. The CHEMFORM GREEN range of products provides performance, quality and safety, as well as environmental sustainability by meeting our strict criteria:

1. Products containing detergents must use only those classified as readily biodegradable.
2. Whenever possible, products made from plant based renewable resources are selected.
3. Our CHEMFORM GREEN range contains no phosphates, oil-based hydrocarbons, chlorine, chlorinated hydrocarbons, carcinogens, alkyl phenol ethoxylates or heavy metals.
4. Our CHEMFORM GREEN range is safe to use. Products must be classified as non-hazardous and non-dangerous.
5. Industrial degreasers will be quick-breaking according to our stringent definition.
6. Waste will be minimised as we believe that the biggest environmental burden on the Earth is waste. All packaging used in the CHEMFORM GREEN range is recyclable, and can be returned to Chemform for processing.

Features and Benefits

- SQUEEK has been formulated for fast, economical and effortless cleaning of all hard surfaces.
- Very economical product. SQUEEK is a concentrated product and is over twice the strength of many commonly used brands. A small amount produces a lot of cleaning power.
- SQUEEK produces an excellent long lasting lather and leaves a clean, fresh smell.

Use Directions

SQUEEK has numerous applications. It can be used in dishwashing, upholstery cleaning, hard surface and wall cleaning. It may be used extensively in kitchens for cleaning tables, chairs, bench tops, windows and sinks. SQUEEK can be used to remove oil and grease and general soils from vinyl, wood or linoleum floors.

For best results, use SQUEEK in warm water at the following usage rates:

- | | |
|-------------------------|------------------------------|
| a) Light Duty Cleaning | 15 mL per 10 litres of water |
| b) Medium Duty Cleaning | 25 mL per 10 litres of water |
| c) Heavy Duty Cleaning | 40 mL per 10 litres of water |

Rinse surfaces in fresh water after cleaning operations.
