

WASH-N-WAX

Neutral car washing product incorporating waxes.

Description

Wash-n-Wax is a foaming cleaner used to wash and wax modern car duco in one operation.

Features and Benefits

- Mixes easily in all proportions with cold water.
- Very economical in use.
- Wash-n-Wax cleans duco and imparts a luster to vehicles; all without manual rubbing.
- Contains corrosion inhibitor to protect metals from rusting.
- As Wash-n-Wax is neutral, it is safe on operator's hands and safe on paintwork. Even if used undiluted with water, Wash-n-Wax will not affect paintwork.

Use Directions

Use 10-50 millilitres per litre of warm water. Apply with soft cloth. Rinse off with tap water.

Packages

20L containers.
