

Multifunctional Skin Care Dispensers

Chemform's robust and attractive high capacity dispenser is perfect for any workplace. Skin care products are stored in large 1 litre soft pods that are designed to easily fit the dispenser. The pod quickly clips into place allowing for efficient refill. Our multifunctional dispenser can be used for 1L Prefilled Hygienic Soft Pods, Bulk Foam Refill Soft Pods and Bulk Liquid Soft Pods. Available in white and silver.

Pure SkinCare *Foam Hand, Hair & Body Wash* is now available in 5L bulk refill!

Until recently, Pure SkinCare's Foam Hand, Hair & Body Wash was only available in 1L Prefill Hygienic Soft Pods. We are excited to announce the arrival of our bulk 5L product and bulk refill soft pod. This reusable soft pod is custom designed to fit our multifunctional dispensers.

Why choose BULK Foam Hand, Hair & body Wash?

- ➊ Ideal product for high use areas. A cost effective product and easy refill method ultimately improves efficiencies.
- ➋ Designed for use in all types of industries including Health & Aged Care, Food Service, Hospitality, Facilities Management, Education & Industrial.
- ➌ Product is refilled into a robust soft pod and dispensed through a portion controlled dispenser. Up to 6,250 actuations from a single 5L container.
- ➍ Effective foam skin cleaner which lathers quickly to remove dirt and grime. Rinses easily and efficiently.
- ➎ Foam Hand, Hair & Body Wash contains natural ingredients. It does NOT contain solvents, abrasives or alkali, the cause of many skin irritations.
- ➏ Special skincare formula which cleans, moisturises and protects the natural balance of the skin. This helps to prevent drying and chapping which are common causes of dermatitis and skin irritation.
- ➐ Part of the Chemform Green range.
